

Next Steps

Homepage

1. Add learn more page and link it.
2. Link pages to the navigation tabs.
3. Change the sign up button to user avatar.

Get Started Page

1. Ask User to login when email exists during sign up.
2. Arrange the Signup steps well, if needed.
3. Implement forgot password at login page
4. Add Google and FB auth.

Dashboard

1. Allow users to change their profile image.
2. Use nice avatars for profile.
3. Do not display all programs. Display only top 5 programs and add view more to the recommended programs tabs.

Recommendations

1. Add more schools
2. For each program, show: Program Name, Cut-off Point, School Name and Logo, Estimated Cost, Institution Ranking.
- 3.
